MELAKA: Melaka Hospital gets its first walk-in Covid-19 testing kiosk, thanks to Universiti Teknikal Malaysia Melaka (UTeM).

The testing kiosk is aimed at lowering the risk faced by frontliner Melaka (UTeM) vice-chancellor Profesor Datuk Wira Dr Raha Ab

She said the kiosk is equipped with Ultra-Low Particulate Air (UL micro-particles).

"The kiosk also comes with wireless microphones and an air-conc handing-over ceremony on Tuesday (June 30).

"The project took three months to complete, and it's part of a research collaboration between the university and hospital in the tele-medicine segment," she added.

Meanwhile, Melaka Hospital's deputy medical director Dr Mohd Rosli Tompang said the hospital will optimise the kiosk when conducting Covid-19 tests.
